

**2009 – 2010  
Ski Gull Season Pass Guidelines**

**Thank you for purchasing your Season Pass at Ski Gull!** The Ski Gull Board of Directors and Staff are looking forward to another terrific winter sports season! We would like to take this opportunity to remind all of our Season Pass Holders that certain obligations are required from you – the pass holder.

- Always ski with your pass visible to the lift attendants and ski patrol on duty.
- Please help us track season pass usage by signing in the book located on the round table by the hillside door in the fireplace room. These numbers assist us in completing surveys and provide grant writing information. Five people will be drawn daily from the sign in book. The names will be put in a hat and at the end of the season 2 lucky pass holders will win \$50.00 off their 2010 – 2011 season pass.
- Please remember to bring your season pass each time you ski at Ski Gull. If you forget your pass we will issue you a daily ticket for free one time during the season. Fees for second lift ticket and pass remakes are available at the ticket counter. Please do not use this privilege to procure a lift ticket for someone else. This is considered theft and you run the risk of losing your pass for the season.
- Please report any pass that becomes lost or stolen.
- **Please do not allow other people to use your season pass.** Anyone abusing this policy will lose his or her pass for the season. This is also why it is important to report lost or stolen passes.
- If you see others skiing without a lift ticket, please let us know. We need your help in stopping this from happening. We will also be increasing reinforcement of reckless skiing and other activities on the ski hill and in our buildings. We want to make everyone's experience at Ski Gull an enjoyable and safe one.

We hope parents and relatives take the time to explain to children and young adults that the purchase of a season pass does not give them the right to abuse the safety and enjoyment of others using the facility.

Our Ski Patrol, Ski School and all other Ski Gull Staff will enforce the rules and regulations of the ski area.

**Season Pass Benefits**

Please use these benefits responsibly and do not loan your pass to others.
